

Minutes of 9th Meeting of EFUC

Institute for Civil Engineering, Wrocław University of Technology, Main Building, Wybrzeże Wyspiańskiego Str. 27, Wrocław, Poland, 25. -26. 11.2005

Participants:

Mr. R. W. **Waniek**, Managing Director IKT, D; Mr. P. **Nellissen**, Marketing Manager European Owens Corning Fiberglas S.A. B; Mr. C. **Renaud** Project Manager European Owens Corning Fiberglas S.A. B; Mr. M. **Banasik**, PFTT, PL; Dr. J. **Raclavsky**, Brno University of Technology, CZ; Mr. S. **Malanik**, Brno University of Technology, CZ; Prof. Dr. C. **Madryas**, TU Wrocław, PSTB, PL; Dr. A. **Kolonko**, TU Wrocław, PL; Prof. Dr. B. **Falter**, University of Applied Sciences Münster, D; Ms. Dr. J. **Chabronova**, STU Bratislava, SK; Mr. R. **Bielecki**, Chairman GSTT, Chairman EFUC, D; Prof. Dr. D. P. F. **Möller**, University of Hamburg, D; Germany; Mr. J. F. **Maregiano**, JFM Conseils, FSTT, F; Prof. Dr. N. G. **Golowin**, Moscow State University for Civil Engineering, Russia; Prof. Dr. L. **Pukhonto**, Moscow State University for Civil Engineering, Russia; Mr. M. **Andrzejewski**, Wirth GmbH, D; Mr. P. **Kosmider**, Inzyniera Bezwykopowa, Krakow, PL; Mr. R. **Büssing**, SB Project Development, Herdecke, D; Dr. A. **Szot**, TU Wrocław, PL; Mr. O. **Dabrowski**, TU Wrocław, PL;

AGENDA:

Friday, November 25, 2005

8:00 p.m. Dinner Hotel Tumski

Saturday, November 26, 2005

9:00 a.m. **Session I**

9:00 a.m. Welcome

Dipl.-Ing Rolf Bielecki

President EFUC

9:15 a.m. Welcome

Prof. Dr. Cezary Madryas

Dean Faculty Civil Engineering

Presentation of Wrocław Technical University

9:30 a.m.

Dipl.-Ing. C. Renaud & Philipp Nellissen, Battice, Belgium

- Quality specifications for fibre glass in reinforced plastic material,

10:05 a.m.

Dipl-Ökonom Roland W. Waniek, Institute for Underground Infrastructure (IKT), Gelsenkirchen, Germany

- Presentation of the Research Activities of the Institute for Underground Infrastructure

11:05 a.m.

Prof. N. G. Golowin, Moscow State University for Civil Engineering, Russia

- Use of reinforced concrete remains obtained by recycling of destroyed buildings and structures

11:30 a.m.

Prof. Dr.-Ing. Dietmar P.F. Möller, University Hamburg, Germany

- Presentation of the New EFUC Internet-Platform

11:45 a.m.

Prof. Dr. L. M. Pukhonto, Moscow State University for Civil Engineering, Russia

- Concrete Engineering Structures: Damages, Durability Design and Safety Evaluation

12:15 a.m. Lunch break at TU Club

Session II

1:15 p.m.

Dr.-Ing. Jaroslav Raclavský, Technical University Brno, Czech Rep.

- Date of the 10th EFUC-Meeting, March 22, 2006, in Doneck, Ukraine

1:25 p.m.

Prof. Dr.-Ing. Dietmar P.F. Möller, University Hamburg, Germany

- EC-Research Proposals GO EUROPE und LITHO-JET

2:05 p.m.

Dipl.-Ing. Rolf Bielecki, WSDTI, Hamburg, Germany

- EU-Research applications for the 7th framework by the German Construction Technology Platform (GCTP), Working Group Networks (see also: www.gctp.de)

2:15 p.m.

Dipl.-Ing. Rolf Bielecki, WSDTI, Hamburg, Germany

- Date of the 3rd EFUC-Conference "Strategies for Disposal of Nuclear Waste in Europe", January 29-31, 2007, in Košice, Slovakia
Other subjects have been: "Marie Curie Conferences & Training Courses" and "TEMPUS III application for Joint European Project"

2:25 p.m.

Dipl.-Ing. Rolf Bielecki, WSDTI, Hamburg, Germany

- Discussion about contractual problems
 - Contract rules with engineers for the planning stage
 - Contract rules with construction companies for the conclusion of the Building contract
 - Contract rules related to quality control and quality assurance will be held at the 10th EFUC meeting. Contributions and topics are highly recommended from the 10th EFUC meeting participants. Contribution should be send in advance by email to wsditi@europe.com.

Contract rules in tunnel construction and the use of failure catalogs will be another topic for the 10th EFUC meeting.

2:30 p.m.

Dipl.-Ing. Rolf Bielecki, WSDTI, Hamburg, Germany

- Miscellaneous

- GSTT annual member assembly discussed the topic of optional energetic use out of the waste water network, and addressed the topic for discussion at the 10th EFUC meeting. It is planned that IKT present their respective research results at the 10th EFUC meeting in Doneck.

2:45 p.m.

Closing session and departure

Mr. Bielecki thanked Prof. Dr. Madryas and Dr. Kolonko for their enthusiastic support of the 9th EFUC meeting in Wroclaw

Prof. Dr.-Ing. Dietmar P. F. Möller
Wroclaw, November, 26, 2005
