

## 10.th EFUC-Round Table in Donetsk, Ukraine

Hamburg, 22nd December 2005

Ladies and Gentlemen,

as agreed at our last round table in Wroclaw, Poland, we would like to invite you to our 10th EFUC-Meeting in Donetsk/Ukraine with the following agenda:

**Saturday March 18th and Sunday March 19th, 2006**

Arrival

Sunday:

Visit/excursion of Donetsk and peripheral areas with foreign EFUC-participants and guests (e.g. "Artemovskij" Vine/Sparkling vine-cellar, salt pit "Soledara", Svjatogorskij monastery). The visit will be followed by a joined dinner with EFUC participants and organizers.

**Monday, March 20th, 2006**

EFUC –round table at Donbas National Construction Academy with participants from organs from the public administration, municipal economy, companies and students.

**Tuesday, March 21st 2006**

- Conference embedded in the World Day of Water "Water quality – Life quality" with participation and contribution of interested foreign guests.

**Wednesday, March, 22nd 2006**

- Excursion to construction sites and buildings
- Departure of foreign EFUC-participants/guests

---

EFUC-participants are very welcome to participate in the **conference "Water quality – Life quality"**.

You have the possibility for a lecture with the following topics:

- Protection of environment. Contamination because of sewage.
- Avoidance of contamination of underground sources of water supply.
- Sanitary equipment of village settled centers
- Trenchless Technology. Modern operation of water drain pipes.

Lectures should be no longer than 15 minutes. You can hold your lecture in English, German or Russian. Your abstract should be submitted by January 10<sup>th</sup> 2006 to the following E-mail address: [wtdti@telecom.cz](mailto:wtdti@telecom.cz) . Here, you can also inquire for further information.

Accommodation can be offered in a student hall of residence and in hotels.
